

e-Matrix  
LINEAR

# e-Matrix Linear

The low and stretched design of our Linear fires provides a surprisingly stylish way of showcasing the unique flames, decoration and glowing embers (option). Or would a stone or crystal fireplace decoration better suit your interior? Those are also options! The modern design, along with the lack of a chimney and gas connection offer unique freedom for striking yet at the same time sustainable interior design.

## Why opt for the e-Matrix?

Scan me

- No flue-gas pipe required; easy installation anywhere,
- Unique patented three-dimensional “living” fire effect; 100% fire experience,
- Adjustable heat; up to max. 2 kW,
- Adjustable RGB LED lighting; for an even more realistic flame effect,
- Simple operation via remote control or the Faber app (supplied standard) for even more options,
- Choice of decoration; log set, white Carrara pebbles or Acrylic ice
- With optional extras including top and/or bottom lighting for an even more realistic fire experience,
- Available in various sizes and as a front, 2 and 3-sided version, Room divider or See-through model,
- Low-energy, 0% emissions, 100% fire effect!
